Leg Avenue®

New Season catalogue released in January 2016

Leg Avenue will release their 2016 catalogues in mid-January and they will be available for download from this date. Order forms will be available and orders must be received by Tomfoolery by Friday 29th January.

To ensure a firm allocation of new costume designs including Halloween 2016, please forward your order to us by Friday 29th January. Orders may be placed after this date, however stock availability is not guaranteed by Leg Avenue.

2016 Range season costumes will be delivered to customers in early September.

Limited numbers of the printed catalogue will arrive at Tomfoolery in March 2016, contact the office or your Sales Representative for availability.

Colorset Powder is used to absorb the oils from cream based makeup so that it "sets" and will not rub off.

Vampire

The Original Scarecrow Vampire Fangs (SK100) are designed for people with average to larger teeth. They may fit either canines and/or incisors or bottom teeth. Fast, easy, comfortable, and totally realistic. Natural color fang caps are shiny, rigid and beautifully contoured to look great in any mouth.

Get ahead of the costume curve. While everyone else is wearing makeshift costumes that resemble ghosts, you'll be walking around horrifyingly unique with your PRIMAL contact lenses.

The range of designs is wide and covers many themes. PRIMAL contact lenses include high quality colours that give a dramatic and striking look. Costume lenses are popular all year round with party goers, festival seekers and COMICON enthusiasts.
