COSTUME WIGS

The Allaura Wigs

Guarantee:

- Each wig looks exactly like the photograph in this catalogue and the photograph on the outside of the packaging.
- The models are wearing the same wig as featured on the packaging, with no photoshop involved to enhance the wigs' appearance.
- The colour of any of our wigs is precisely the same as the wig colour in the model's photograph.
- We have used high quality fibres that don't feel like straw and won't matte easily or tangle. This will help the wig to hold its shape when you take it straight from the bag.
- Prices are extremely low.
- We have a huge range, with hundreds of styles to choose from and new ones being added all the time.
