

Lectrum[®] CTL Model

For AV touch screen control panel

Controlling everything from lights to sound is convenient and easy with a Lectrum CTL fitted with a touch control panel. It makes for smooth, seamless presentations with the presenter in complete control of all functions at the touch of a button.

Ageless, elegant styling combined with state-of-the-art controls makes Lectrum CTL the ideal choice for today's training rooms, boardrooms and conference facilities. Lectrum CTL models are available with custom designed enclosures for control panels from AMX[®] and Creston[®].

While specifications differ slightly for each model, all Lectrum CTL models have the following common features:

- Dual XLR microphone inputs.
- Halogen, gooseneck reading light - 300 mm.
- Black, low sheen powdercoat frame.
- 'Coal' black, fine velour fabric dress panel (Velcro compatible).

The LCD clock is not provided as time and date functions are on the control panel.

The standard range of Lectrum accessories can be used with Lectrum CTL including:

- Slide-out notebook PC shelf.
- Gooseneck microphone - Condenser.
- Logo for dress panel.
- Document Shield / Logo bar.
- Prop shelf for leg set.
- Set of lockable castors.

Other finishes are available at extra cost and longer lead times.
